Latest Subjects: Artificial Intelligence and Intelligent Agents, Data Communications and Networking, Foundations 1, Software Engineering, Foundations 2, Language Processors, Operating Systems & Concurrency, Professional Development.

Highschool (Science Stream, CBSE Curriculum) | Our Own English High School, Sharjah

2016-2019

Results: Scored 82.8% in senior school.
Subjects: Physics, Chemistry, Mathematics, Computer Science and English.

PROJECTS

ReadIt – Academic Project

Jan 2021 – Aug 2022

Platform for readers and writers to come together, create, collaborate, and mashup stories from their favorite categories. As a technical lead of the team, I was responsible for both – frontend and backend, development of the project. Technology: MERN Stack.
